Subject: PIA Request

Dr. Hadlock,

Please be advised this request may be clearer as to what I am asking for than my PIA Request I sent you on May 21, 2011.

Could you please provide access or copies of all articles, ads e-mails, and/or "other means" that you were referring to as misleading and/or untrue to the voters in the interviews where you were quoted that were published in the Lindsay Letter and the Gainesville Register shortly after the May bond election.

Thank you,

Ken Arterbury
