

- ★ We would like to Thank the Cooke County Voters who were willing to look beyond the exaggerations & personal attacks, to Objectively Review the Facts, and Vote in the recent NCTC Bond Election.
- ★ We hope & pray NCTC will Accept the Election Results and Actively Explore Lower Cost Alternatives with a positive approach to meet the basic needs of the Students in Health Sciences and other areas.
- ★ Together we stopped a tax increase of about \$2.1 million a year.
- ★ Happy Thanksgiving to you and your families!
