Dear Faculty and Staff,

Several of you have requested information about the bond election and many have indicated a willingness to help in some way. Attached to this email is a brochure that summarizes the projects in the proposed #32.5 million bond package (printed copies are available in my office). Be sure to scroll to the very bottom of the brochure to see the examples of the costs of the bond. Yard signs will be available in my office on Thursday of this week. Please feel free to pick up as many as you need to put in your yard or to give to friends .

Pat Ledbetter is needing volunteers to help her call voters to remind them to vote. If you would like to volunteer, calling would occur after work hours or on the weekends at a site off campus, please give her a call.

Thank you. If you need additional information, please feel free to give me a call.
